

# Summer Fun at St. Matthew's

## Summer Session

Over the summer, we continue our child care program from 7 A.M. to 6 P.M for children ages 2 to 6. Using weekly themes as our inspiration, teachers plan special art projects, games, songs, books, snacks and activities. Our schedule is more flexible during the summer, but the underlying structure of the school day provides the continuity and security our children have come to expect. **Summer session is open to students from all schools.**

## Summer Enrichment Program

The Summer Enrichment Program is a popular addition to our summer child care program. Children in grades 1 through 3 participate in field trips each week to such places as the Belair Bath & Tennis, Pirate Adventures, Pump It Up, the National Zoo, Bowie Baysox and more. In addition, the Summer Enrichment Program follows the same weekly themes as the Summer Session and participates in a variety of thematic, academic, artistic, and athletic activities. Our Summer Enrichment Program strives to find the right balance between structure and adventure for our independent school-aged friends.
